2. **OFFICE CLOSURE PROCEDURES:**
  - a) The last administration employee in the building is asked to ensure the following is done:
    - Washroom lights turned off (men and women's).
    - All windows closed in general office areas.
    - Coffee pot emptied.

3. **USE OF TYPING SERVICES:** All typing should be submitted to Administration for typing, in order to maintain proper records. If you have an item that needs to be typed, please fill out a typing request form to attach to the item to be typed and put the form, together with the item, into the "Typing" box. The typing box is located on top of the central filing cabinet, with blank typing request forms.

Please fill the form out completely so that the person that types the item knows when you need the typing completed and who the item needs to be returned to. Please ensure that the following items are returned to your Manager after they are typed: all meeting minutes, personal summaries, Personal Plans, and any external correspondence (i.e., letters that go to outside agencies).
4. **FRONT OFFICE AREA:** The two work stations in the front office area are for the use of the Administrative Staff only.
