The Board of Directors of Avenue II has adopted the following Mission Statement of the Corporation:

Mission: Total Inclusion Through People – Live, Learn, Succeed

This statement guides everyone at Avenue II, towards a common goal to have **ALL PEOPLE** included in the community. The goal to:

- To support people to **live** the life they choose
- To continue to **learn** and grow as we all do in life
- To **succeed** in being the best they can be each day.

It is our belief that it is a right of all, not a privilege, to be an active member of the community. No person should be excluded from participation in any activity regardless of ability. It is our purpose to assist adults with a developmental disability achieve that.

Training

Board members, staff, clients and significant others will receive orientation, training and an annual refresher.
